

**CREDIT UNION**  
*of the Berkshires*

By now, I am sure you've heard that we are planning to merge with Greylock Federal Credit Union in the fall, pending membership approval in September. After months of careful research, the board and I are confident that Greylock will be a great partner for all our members and for our staff.

We're all excited about the merger with Greylock Federal Credit Union. Although MSIC insurance will be ending following the merger, here are some of the great benefits that you will enjoy:

- Full use of Greylock's 12 public branches (one is currently closed due to the pandemic) and 21 local ATM locations
- Access to over 60,000 surcharge-free ATMs nationwide
- Service from over 5,800 shared branch locations nationwide
- Great resources, like financial education and coaching, from Greylock's Community Empowerment Center on Kellogg Street in Pittsfield
- 24/7 member contact center
- Convenient and easy-to-use online and mobile banking services
- Business banking services
- Investment services
- Discounts on insurance products
- Members deposits are insured to at least \$250,000 by the National Credit Union Share Insurance Fund (NCUA)
